Brookwood Drive Development

I am pleased to be able to inform you that the proposed development of houses on the green space at Brookwood Drive will not take place. This is a significant asset for the local community and it is important that green spaces like this, which are well used by residents, are preserved.

After lobbying by the Conservative Councillor for Weston Coyney Cllr Ross Irving, the Weston Coyney Residents' Association, and myself, the City Council has agreed to look at brownfield sites in other areas of the city instead.

I would like to thank everyone who wrote to me and to the City Council to express their objections to this development. If I can be of assistance to you in any other matter, please do not hesitate to get in touch with me.

Yours sincerely,

Jack Brereton MP
Member of Parliament for Stoke-on-Trent South
